### ASSOCIATION TO MEET TOMORROW

Congregational Church Delegates to Assemble in Chassel

The annual meeting of the Lake Superior association of Congregational churches and ministers will be held in Chassel tomorrow with morning, afternoon and evening sessions. Delegates from the Congregational church of this city were elected last Thursday evening. Officers of the church and the pastor, Rev. U. G. Rich will attend as will the following delegates: Mrs. Mary Montgomery, Mrs. J. S. Shields, Mrs. Albert Quinn, George S. Goodale, Frank Williams and John Marshall.

Each church will be represented by its deacons, deaconesses, treasurer and six delegates. The committee in charge of arrangements from the Chassel Congregational church will be pleased to have a large attendance and will furnish entertainment for all desiring to attend, whether delegates or not. The ladies of the church will serve dinner and supper in the church parlors. Accommodations will also be provided for all who find it convenient to stay in Chassel until Thursday.

The D. S. S. & A. train going to Chassel tomorrow will leave Calumet at 10:25 and Hancock at 10:50. As the train from Lake Linden leaves at 5 o'clock in the morning, it will probably be most convenient for delegates from the Torch Lake towns to journey to Calumet and board the train there. For those wishing to return Wednesday evening the train leaves Chassel at 1:25 o'clock.

### FARMER'S WIFE TOO ILL TO WORK

A Weak, Nervous Sufferer Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Kasota, Minn.—"I am glad to say that Lydia E. Pinkham's Vegetable Compound has done more for me than anything else, and I had the best physician here. I was so weak and nervous that I could not do my work and suffered with pains low down in my right side for a year or more. I took Lydia E. Pinkham's Vegetable Compound, and now I feel like a different person. I believe there is nothing like Lydia E. Pinkham's Vegetable Compound for weak women and young girls, and I would be glad if I could influence anyone to try the medicine, for I know it will do all and much more than it is claimed to do."—Mrs. CLARA FRANKS, R. F. D. No. 1, Maplecrest Farm, Kasota, Minn.

Women who suffer from those distressing ills peculiar to their sex should be convinced of the ability of Lydia E. Pinkham's Vegetable Compound to restore their health by the many genuine and truthful testimonials we are constantly publishing in the newspapers.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

#### WILLIAM HARRY IS DEAD.

Former Well Known Hancock Man Passes Away in Detroit.

William Harry, formerly a resident of Hancock, passed away yesterday at his home in Detroit following a short illness. The late Mr. Harry had only recently returned from a trip to Florida. He was 71 years of age and known to hundreds of people in the copper country.

The late Mr. Harry was born in Redruth, Cornwall, August 14, 1842, and came to Hancock when 19 years old. He engaged in the general mercantile business and built up a large trade, remaining in that city 21 years. He was elected president of the First National bank in 1872, and was also a director of the Merchants' and Miners' bank of Calumet.

In 1891 the deceased was elected to the state legislature from Houghton county and succeeded in having passed a number of industrial measures. He is well known throughout the state. The deceased located in Detroit in 1899. He is survived by one daughter, Mary, and three sons, William and Joseph of Detroit and Frederick of Denver. The funeral will take place in Detroit Thursday.

#### ACCEPTS INVITATION.

Senator James Asked to Attend F. of A. Meeting at Red Jacket.

Senator W. Frank James of Hancock who is a candidate for the Republican nomination for congressman, has received an invitation from Court North Star, No. 11, Foresters of America of Red Jacket to attend a social session of the order next Saturday evening. Senator James has accepted the invitation.

The idea of holding a social session next Saturday evening was decided by the members of the Red Jacket society April 11 and since that time they have been working to make it a big affair. It is planned to have all courts of the two counties present at the session.

Senator James will leave tonight for Ironwood, where he will address the Sons of St. George on St. George day, Thursday. Next week he has a speaking engagement in Marquette. He also will shortly visit Gogebic and Dickinson counties.

#### YOUNG GREAT GRANDMOTHER.

Mrs. Mary Whelan, in Prime of Life, Entertains Three Generations.

The visit of Mrs. A. C. Jorgensen and children of Marquette at the home of Mrs. Mary Whelan of Sampson street, recalls an unusual incident in lives of four generations. Mrs. Whelan, while only fifty-four years of age, is the grandmother of Mrs. Jorgensen and the great grandmother of the Jorgensen children.

Including Mrs. Whelan, there are four generations at the Sampson street home and the excellent health which she maintains gives promise of her remaining with her children until a fifth generation is added. The four generations are Mrs. Whelan, her unmarried daughter, Rose, another daughter, Mrs. Alex Frazier of Marquette, who is the mother of Mrs. Jorgensen and the grandmother of the two Jorgensen children.

#### SALOON LICENSES GRANTED.

Members of the Hancock city council sat in adjourned session last evening in the city hall for the purpose of acting on the remaining liquor licenses. At the meeting last Friday twenty licenses were issued and the members of the council decided on the remaining five at the adjourned meeting last night.

Hancock Naval Reserve To Entertain in Germania Hall Soon.

Members of the reserve decided that at a near date, probably May 14, they will give their annual ball. Committees to plan for the decorating and entertaining of the guests will be appointed within the next few days.

For several years the Naval Reserve of this city have entertained with an annual dancing party and each has been a great success. The members hope to make this an even greater success and will work for the next few weeks with this end in view.

#### CASE ADJOURNED TO FRIDAY.

Five Men Charged With Assault on Aho Will Have Hearing.

Mike Puska, Victor Lausala, John Mustonen, Samuel Kivohja and Herman Kekki were arraigned before Justice Eickhorn this morning, charged with assault on the person of John Aho. Aho claims he entered a saloon in Hancock several weeks ago and as he was one of the many persons who refused to stay out on strike, and strikers in the saloon assaulted him. The hearing of the men was adjourned until Friday morning because of the press of other business in the court today.

Charles Lawry, charged with abandonment and desertion, was bound over to circuit court by Justice Eickhorn this morning. Lawry admitted that he has contributed nothing to the support of his family for thirteen months though he offered no excuse for his act. He served a previous sentence on a similar charge when he failed to procure bonds.

#### "KATHLYN" PICTURES THURSDAY

The fifth installment of the picture serial "The Adventures of Kathlyn" will be shown at the Orpheum Thursday evening. A special matinee performance will be given Thursday afternoon for the benefit of the children and the pictures again will be exhibited Friday evening. Capacity audiences are witnessing the vandeville at the Orpheum. The LaVeen Cross & Co., burlesque acrobats and Dixon and Hanon, comedians, are the headliners.

#### WILL HOLD SESSIONS SOON.

City Clerk Hoffenbuecher was advised yesterday that the board of review, composed of the four supervisors from the various wards in the city and the city clerk, will hold sessions May 18, 19, 20 and 21. During this time property owners may determine the assessed valuation on their property. Supervisors from this city are now preparing their assessment rolls, but they will not be completed for several weeks.

#### HANCOCK BREVITIES.

\*\*\*\*\*

The Ladies' Industrial society of the First Congregational church of Hancock are planning on conducting a rummage sale in the near future.

The talk given in the Hancock high school last evening by Archie Nevin, instructor in manual training on the subject of "Manual Training and Forestry" was a great success, a large audience listening to the address.

J. H. Jansberg returned yesterday from Chicago, where he attended a conference on marketing and farm products.

Ed. Stehlin of this city has accepted a position as traveling salesman for the Reynolds Tobacco company. His district will be the upper peninsula.

Members of Hancock lodge of Elks will convene in the lodge rooms on Hancock street next Thursday evening in an important session. A class of candidates for the order will be initiated and a social session held afterwards.

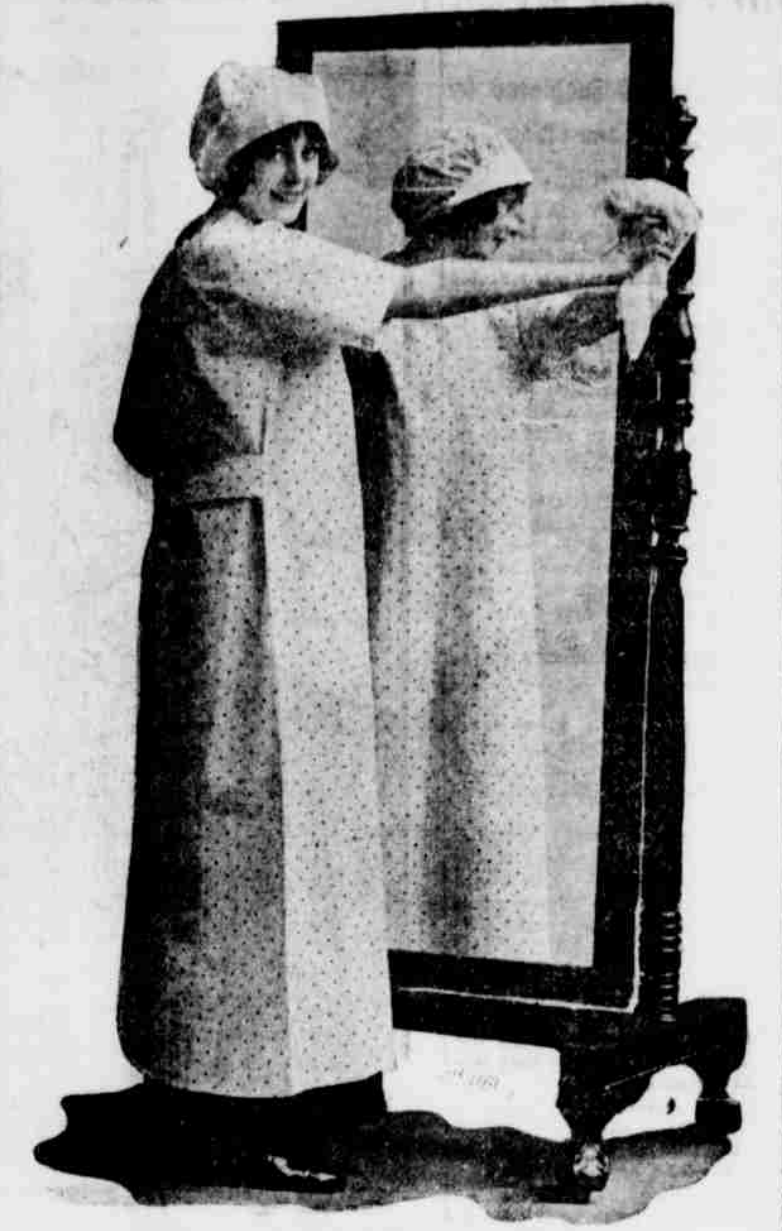

#### HOMES FOR HEBREW TOILERS.

Model homes for working people that will rent for not more than \$12 a month are being planned by the board of trustees of the United Hebrew Relief association of Pittsburgh, which proposes to erect at least four double buildings, each building to be divided into four flats of three rooms and bath each, thus providing model homes for sixteen families at the outset.

The association's members are of the firm belief that many such homes are needed in the Pittsburgh district, and this has impelled the organization to take the initial step in supplying this need in a practical manner. Already two philanthropists have contributed \$50,000 toward a fund.

An iron monument in the form of a stepped pyramid surmounted by a globe, ninety feet high, has been erected at Leipzig to symbolize the German iron and steel industry.

## TRIM APRONS THAT PRESERVE THE NEATNESS OF THE HOUSEWIFE'S GOWN

HOUSEWIFE'S EMERGENCY APRON.

WITH apron and cap, such as shown here, a housewife may protect the prettiest frock and the most elaborate collar when she is called into the kitchen in an emergency. Made of spotted percale or fashioned of a substantial plain material these aprons are both attractive and useful.

**ROSE POWDER CASE.**  
The daintiness and prettiness which are looked for in an Easter souvenir for milady are to be found in the charming articles illustrated here. Every rose may have its flower, but not every rose has the sweet duplicity of a vanity box hid in its heart. On a spray of green velvet leaves and a stout stem is held a big round blossom made of loops of pink ribbon that suggest easy house manufacture. The center of the rose looks like a puff of the ribbon, but it is the ornamentation to the cover of the box which is glued firmly to the base of the flower and which holds the secrets of a pretty face.

**When the Candle Doesn't Fit.**  
China candlesticks often have sockets much too big to hold the candle firm without wrapping paper, etc., round the bottom. If an ordinary cork is put in and cut neatly to fit and a small headless wire nail inserted in the cork, to which the candle can be easily and firmly fixed, the candlestick will always be tidy and the cork need not be removed for washing.

**Eggs in Nests.**  
Peel and cut into halves, lengthwise, five hard boiled eggs. Remove the yolks and press them with a fork, adding one tablespoonful of finely minced onion, one small young beet, boiled and chopped fine; half a teaspoonful of salt and two or three shakes of paprika. Mix with mayonnaise dressing and fill the halves of the whites with the mixture. Arrange on a nest of curled parsley.

## "CASCARETS" IF CONSTIPATED, HEADACHY, STOMACH SOUR OR BILIOUS--DIME A BOX

Turn the rascals out—the headache, biliousness, constipation, the sick, sour stomach and food gases—turn them out tonight with Cascarets.

Don't put in another day of distress. Let Cascarets sweeten and regulate your stomach; remove the sour, undigested and fermenting food; take that misery-making gas; take the excess bile from your liver and carry off the decomposed waste matter and constipation poison from the bowels. Then you feel great.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your bowels clear, stomach sweet, liver and bowels regular and make you feel bully and cheerful for months. Don't forget the children.

## Cook Without Heating the Kitchen

NEW PERFECTION Wick Blue Flame cook stoves do exactly the work of the coal range without the terrible exhausting heat and the dirt and trouble. They burn clean, convenient, economical oil, the ideal fuel, will almost save their cost during the season.

Operated exactly like gas, but far cheaper. None of the dangers of gasoline; no smoke, no odor.

Note, in the picture, the cabinet top, the fine, big oven, the shelves and the towel racks. No stove could be more convenient. Roasts, bakes, toasts and broils to "perfection." No stove made does better cooking.

For Best Results Use Perfection Oil

Be sure and see the latest model with the new THERMOS oven, an invention that gives you a range and fireless cooker combined. Don't forget that fuel saving soon makes up the price of the stove. That a cool kitchen makes cooking easy, especially when striking a match gives you your fire.

#### KITCHEN HINTS.

Some Topics That May Interest the Careful Housewife.

The new corncock holders have handles of imitation ivory or that match the table cutlery. They have three prongs—a long one in the middle and shorter on each side. These are probably the prettiest of the inexpensive corncock holders.

A pretty tin stand for the cottage tea table is made of white and green straw with Dresden china shelves. It stands about a foot high and has three shelves.

When making custards use the yolks of eggs only. The whites do not improve the custard and can be utilized for other purposes.

When boiling greens place a piece of dripping or fat about the size of a walnut into the saucepan. The water will then not boil over so readily.

New potatoes will scrape very easily if they are put to soak in water in which a small piece of common soda is put; also, they will not soil the fingers.

When boiling new milk, to prevent a skin from forming on top as it cools add two tablespoonfuls of cold milk to every pint when at boiling point and stir for a minute.

**Daintily Served Bisques.**  
Fish bisques are delicious when the creaming is done carefully with well blended flour and milk mixed in so that no lumping or curdling occurs. Vegetables also may be transformed into appetizing bisques and a great deal of parts often thrown away utilized.

Letting spinach, cauliflower, cabbage, celery stalks, all simmer down to excellent stocks which mix to fine bisques with cream, butter and flour or cornstarch.

For coloring the housekeeper may remember that spinach bruised and put through a fine sieve gives the various shades of green, carrots impart an orange or yellow tint, beets give rose and pink. Variations in the color and the serving of soups, even to the shape of the thureens and plates, add to the attractiveness of what the French consider one of the most important courses of the dinner.

The serving of the lighter consommés and soups in cups is a happy idea. The cups are easier to manage than the old shallow dishes, take up less room and are pretty bits of china. Pea soup, julienne, green turtle—all soups, in fact, but the thick bisques are best in cups.
